

Key facts :

- Non-slip polyester film
- Available in 2 thicknesses 50 and 75μ
- Available in 70 g/m2 and 105 g/m2
- Water- and air-tight
- Washable
- Tearproof
- Transparent
- Light
- Clean : no fiber or dust
- Reusable

Why use CLEAR GRIP® ?

- Ideal for companies who care about the quality and safety of the products they transport
- Perfect for internal handling because tearproof and therefore reusable
- Ideal for stabilising pallets containing closed buckets
- Can be manually added to the pallet or fully automatically integrated into the palletizing path using a robot
- Its plastic base does not generate dust and makes it ideal for pharmaceutical applications
- Can be used as protection on dirty or wet pallets as well as for wet applications such as outdoor storage
